Dear Dr Minnaar-van Veijeren

LETTER OF REFERRAL FROM THE GAUTENG OFFICE OF THE PREMIER

ProEthics (Pty) Ltd was contracted by the Office of the Premier to conduct capacity building for Ethics Committee members from the 14 Gauteng Provincial Government departments. The service provider developed well researched training material in collaboration with the Office of the Premier.

The facilitators provided sufficient insight into the content and demonstrated facilitation expertise. ProEthics showed great understanding and knowledge in the field of ethics, legislation and policies underpinning the establishment and functioning of ethics committees. The training material contained relevant content, and case studies and used varied modalities of presentation on the virtual platform.

The facilitators were responsive and encouraged robust engagement. All the questions and concerns raised by all attendees from various Gauteng Departments were addressed. During the engagement between the service provider and the Office of the Premier, ProEthics displayed the requisite capability to design the training material and deliver the training to the ethics committees within the Gauteng Provincial Government.
