Dear Dr Janette van Veijeren

RE: Reference Letter from Henley Business School

Our thanks for the facilitation conducted by yourself on a number of days in the last few months at Henley for our Postgraduate in Management Practice students. The feedback from students included phrases such as *'organised, responsive, patient and able to clearly explain complex topics'*, *'authentic and exceptional facilitator who made her session so engaging – a breath of fresh air'*, *'great knowledge spectrum'*, *'provided a good pace with great team exercises'*, and *'very energetic and created a good environment'*.

The feedback above speaks for itself. In addition your willingness to engage with us to align the material to the right level and then to adapt to new on-line modes of delivery made the process a pleasure. It is refreshing to work with someone with your scope of knowledge and professionalism, and I know that the students have benefitted from subject matter that is so critical in our current South African context.

I would be happy to recommend the services of Pro-Ethics.

Yours sincerely

Dr Janet Brumme
