Letter of appreciation

Dear Dr Janette Minnaar-van Veijeren

I'm writing to express my sincere gratitude for your participation as a presenter at our recent event, the Dementia and Alzheimer's Webinar.

Your presentation on "Navigating Ethical Crossroads – Caring for Patients with Neurogenerative Diseases with Compassion and Kindness", was informative and engaging, providing valuable insights to our online audience. We appreciate the effort you put into making the webinar a success.

Without the support of people such as yourself, much of our growth, and therefore of the support we can offer to the communities and individuals, would be impossible.

You have been allocated 2 CPD points for presenting, and these points will be submitted to the HPCSA on your behalf.

Yours sincerely

Marlene Freislich
